ABOUT US

Vian Mart is a dynamic and innovative business venture under the Vian Group of Companies, a diversified conglomerate headquartered in Kolkata. The company focuses on modern retail, e-commerce solutions, and distribution of quality products to customers across India.

Vian Mart aims to bridge the gap between quality products and customers by offering reliable, affordable, and innovative retail solutions through both offline and online platforms.

About Vian Group of Companies

Vian Mart operates under the umbrella of Vian Group of Companies, an organization established with a vision to create financial and business opportunities across multiple industries.

The group operates in various sectors including:

- * Financial Services
- * Stock Trading & Portfolio Management
- * Insurance & Loan Advisory
- * OTA Hotel Management
- * Travel & Tourism
- * E-Commerce & Retail

With over 15 years of professional experience, Vian Group has built a reputation for transparency, innovation, and customer satisfaction.

OUR VISION

To become a trusted retail and e-commerce platform that delivers quality products, affordability, and customer satisfaction across India.

OUR MISSION

- * To provide high-quality products at competitive prices
- * To build a reliable e-commerce ecosystem for customers and partners
- * To create employment and entrepreneurial opportunities
- * To promote ethical and transparent business practices

WHY CHOOSE VIAN MART

DIRECTOR PROFILE

Dr. Pankaj Kumar
Founder & Director – Vian Group of Companies

Dr. Pankaj Kumar is a renowned financial expert and entrepreneur based in Kolkata. He holds a Doctorate in Economics and has over 15 years of extensive experience in finance, investment consulting, and business development.

Before establishing Vian Group, he began his career as a Government Revenue Planner, where he gained valuable experience in economic planning and financial management.

Driven by a vision to empower people financially, Dr. Kumar founded Vian Group of Companies, which today operates across multiple sectors including finance, trading, travel, OTA management, and e-commerce.

He is widely respected for his ethical leadership, deep financial knowledge, and commitment to helping individuals achieve financial independence.

His mission is to create 10,000 financially independent individuals in India through financial education, investment guidance, and business opportunities.
